## *Highlights*

- ◆ My outstanding performance in **teaching, service, research** and **applied work** demonstrates that I am a *committed, prolific* and *all-rounded* academic with creative ideas and positive attitudes towards my teaching and research.
- ◆ **I love teaching** and enjoy sharing my values, knowledge and life experiences with students. To enable and facilitate my students to become an independent, people-oriented and society-oriented person with critical thinking through formal as well as informal education is my mission.

## *Teaching*

- ◆ As an **educator**, my main objectives are to stimulate the students' interests in acquiring knowledge, to foster in them a real concern for the society and to assist them to cultivate a systematic and critical way of thinking.
  - ◆ Results of my **teaching evaluation** are rated well above the average score of Department of Social Work at the Chinese University of Hong Kong whereas some of them are among the best ratings of the department. It demonstrates that my teaching performance is recognised and appreciated by my students.
  - ◆ I have enthusiastically participated in **planning, implementing and evaluating** the curriculum and teaching of the programmes of Bachelor Degree and Master Degree of the Department of Social Work.
  - ◆ In recognizing my outstanding teaching performance, I am awarded the Exemplary Teaching Award 2011 by the Faculty of Social Science, the Chinese University of Hong Kong.
-

College and University Service

- ◆ Since 2009, I have joined the Assembly of Fellows of Shaw College and also served as a warden of the Kuo Mou Hall since 2011. Furthermore, I organized a Service Learning General Education course for Shaw students since 2010 to understand the poverty situation and alleviation strategies in China, the service target are the poor rural and urban residents in China. I also serve as advisor and judge for various social service programmes of Shaw students and initiated an acropnic project for the Shaw student to understand importance of food sustainability.
- ◆ I have served as the Associate Director of the Centre for Civil Society Studies since 2008 and Director of Centre for Quality of Life. Both research centres are under the Hong Kong Institute of Asia-Pacific Studies, CUHK. I have served as an elected Board member of the Faculty of Social Science since 2009.
- ◆ I have served as the leader of the Community Research Team and a member of the steering committee of the I-Care Programme since 2014. I was also invited by different student organizations to deliver seminars and talks and being advisors of their service projects.

Research

- ◆ Trained as a social worker as well as a sociologist, I am interested in conducting applied and action researches in the field of poverty, social security, labour, community economic development as well as services to homeless people, youth and ethnic minorities.
- ◆ I have achieved excellent performance in my research work. Since 1994, I have successfully conducted 32 research projects and been granted a total sum of more than HKD 12,789,000. Most of these researches are applied social researches which I act as Principal Investigator. In recognizing my research performance, I was granted Global Scholarship Programme for Research Excellence – CNOOC Grants 2012-13 by the Chinese University of Hong Kong to support me to be visiting scholar at the School of Social Welfare, University of California, Berkeley in 2013.
- ◆ In 1999-2000, being the Principal Investigator of the research ‘Drawing Hong Kong’s Poverty Line: An Inter-disciplinary Study’, I was granted a **Competitive Earmarked Research Grant (CERG)** of the amount of **HKD 601,992** by the Research Grants Council (RGC). In 2009, being the Principal Investigator of the research ‘The Impact of the Introduction of a Statutory Minimum Wage on Labour Market’, I was granted a **Public Policy Research Funding Scheme**, of the amount of **HKD 448,500** by the RGC. In 2011, I was granted again by the RGC for the **Strategic Public Research Funding Scheme** for the project ‘Trends and Implications of Poverty and Social Disadvantages in Hong Kong: A Multi-disciplinary and Longitudinal Study’ of the amount of **HKD 3,250,000**.

***Applied Work***

- ◆ I have actively contributed my knowledge and expertise to non-government organisations, professional bodies and the Hong Kong Government. I had been elected as the *Chairperson of the Committee on Social Security and Employment Policy* of the **Hong Kong Council of Social Service** from 1998 to early 2001 and from 2011 till 2012 and as Vice Chairperson from 2012 to 2014. From 2002 to 2007 I was a member of the Programme Committee and have been a member of the Council since 2013 of **Oxfam Hong Kong**. From September 2004 to 2010, I was the Vice-chairperson of **UNISON Hong Kong**, a non-government organisation which is concerned about the rights of the ethnic minorities in Hong Kong. I have become the Chairperson of UNISON Hong Kong since 2010. I was elected as a member of the **Election Committee** (Social Welfare) in 2006 and 2011 and voted in the election of Chief Executive.
- ◆ To advocate for policy changes, I have frequently been interviewed by print and electronic media to demonstrate the results of my applied researches. I have also been a critic writing commentaries regarding social issues. I am convinced that I am recognised as a social-minded academic.
