

FACULTY OF SOCIAL SCIENCE

Division of Social Work

Our mission is to provide quality educational programmes at the master's and doctoral levels that prepare highly qualified and professionally competent social work practitioners and scholars with a commitment to social justice and social work values and ethics. Our graduate programmes encourage intellectual curiosity, critical thinking, academic scholarship and research; and at the same time emphasize the integration of theories and practice. We hope the education provided by our programmes will make a difference in the lives of our students, so that they become professionals who will make a difference in the lives of others and the society.
