

# Clinical Supervision Group (Jul 2017) by Professor Joyce L.C. MA

## Target Group

This Clinical Supervision Group is designed for helping professionals who have Master of Social Work, Master of Arts in Family Counselling and Family Education or its equivalence, preferably with theoretical base and clinical practice experience in family therapy .

## Objectives

The aim of this course is to enable participants to apply knowledge and skills of family therapy and to assist participants critically appraise related ethical issues and resolve ethical dilemmas in clinical practice. The presenters will be required to bring their own cases of families with difficulties for video tape review and discussion with the trainer, Professor Joyce MA, while the observers will observe the case presentation and discussion process. The participants are expected to be grouped based on the nature of problem of their presented families in order to facilitate a more in-depth and academic discussion.

## Trainer

*Prof. Joyce L. C. Ma* is Professor of the Department of Social Work. Her specialties and research interests cover the areas of family therapy, mental health with recent focuses on eating disorders and attention deficit hyperactivity disorder. Teaching at the Department of Social Work, The Chinese University of Hong Kong since 1988, Prof. Ma is a Clinical Fellow and an Approved Supervisor of the American Association of Marriage and Family Therapy (AAMFT), founder of the Shengang Family Treatment Center, Nanshan Hospital in Shenzhen and the Director of the Family and Group Practice Research Centre of the Department. She was appointed the Co-Clinical Director, Academy of Family Therapy, Hong Kong in January 2013 as well as the member of the Commission of Accreditation and Certification, International Family Therapy Association in March 2014.

She has published four Chinese books and one English book "Anorexia Nervosa and Family Therapy" (2011) in addition to 90 refereed journal articles at international, regional and local venues of significant impact and visibility. She has completed a three-year research project which evaluates the efficacy of multiple family groups for Chinese families in Hong Kong with children suffering from attention deficit hyperactivity disorder in 2016.
