Practicum Course on Child-centered Play Therapy Ms Lau Suet Ha, Lottie

Introduction

This course is a continuation of the basic training program on child-centered play therapy organized by the Department of Social Work of CUHK. It aims to develop greater practice competence in counseling professionals who are interested in using the therapy.

Objectives

- 1. To encourage participants to practise child-centered play therapy with children.
- 2. To develop participants' practice competence in using the therapy in the following aspects:
 - (a) sensitivity in identifying children's significant play behaviours,
 - (b) refinement of micro-skills and techniques,
 - (c) expansion of varieties of facilitative responses,
 - (d) handling of various issues in the play therapy process, and
 - (e) self-reflexive abilities.

Contents & Formats

- 1. Videotape watching. (Each participant will be required to present a tape of around 30 minutes on conducting child-centered play therapy with a child*.)
- 2. Feedback on participants' use of skills and techniques of the therapy.
- 3. Discussions on children's play behaviours and issues in the therapy process.
 - * The child shown in the videotape does not necessarily have to be in treatment. That can be a child with normal development and in healthy psychological or emotional state.

Target Participants

- 1. Helping professionals who
 - (a) have attended a basic course (4-day or 5-day workshop) on childcentered play therapy conducted by Ms Lottie Lau, and
 - (b) will surely be able to attend the pre-course meeting.
- 2. Each practicum group will consist of a maximum of 18 participants.

Important Notes on the Pre-course Meeting

- 1. Attendance in the pre-course meeting is compulsory and absence is not expected.
- 2. For participants who fail to attend the meeting due to unexpected circumstances, they are required to:
 - (a) notify the course coordinator as soon as possible before the meeting and suggest a date on which they can present their tape(s), and
 - (b) come to the Department to listen to the meeting recording within two weeks from the date of the pre-course meeting.
- 3. Absentees of the pre-course meeting failing to fulfill the requirements in 2(a) & 2(b) will not be able to obtain the course certificate of attendance.
- 4. Pre-course meeting content:
 - (a) issues in starting play sessions with children,
 - (b) ethical considerations in videotaping the sessions, and
 - (c) confirmation of participants' videotape presentation schedules in the course.

The Chinese University of Hong Kong

Department of Social Work

Continuing Professional Education

Trainer

Ms Lottie LAU is a pioneer who has introduced and cultivated the approach of Child-centered Play Therapy in Hong Kong since the early 1990s.

Ms LAU received her Bachelor social work degree from the Chinese University of Hong Kong. After that, she pursued her postgraduate counseling study in The University of North Texas, where she specialized in learning Child Centered Play Therapy from Dr Garry Landreth, an internationally renowned scholar who developed the therapy based Virginia Axline's on nondirective approach.

Ms LAU has accumulated more than 25 years of clinical experience in counseling work. She has been particularly keen and well versed in steering psychological healing in emotionally disturbed children by means of Child Centered Play Therapy. In the 1990s, in addition to her formal teaching in Ms LAU tertiary education, began to spread the concept of Child-centered Play Therapy by pioneering systematic training programs. Over the years, she has laid down the cornerstone of the therapy in the local scene through hundreds of related training programs conducted with continual up-to-date refinement. Accumulatively, Ms LAU has delivered her basic training courses to more than 8000 helping professionals and She parents. has received numerous positive comments and her courses have always been fullv enrolled with unreserved recommendations from participants.
