Trainer

Ms Lottie LAU is a pioneer who has introduced and cultivated the approach of Child-centered Play Therapy in Hong Kong since the early 1990s.

Ms LAU received her Bachelor social work degree from the Chinese University of Hong Kong. After that, she pursued her postgraduate counseling study in The University of North Texas, where she specialized in learning Child Centered Play Therapy from Dr Garry Landreth, an internationally renowned scholar who developed the therapy based on Virginia Axline's nondirective approach.

Ms LAU has accumulated more than 25 years of clinical experience in counseling work. She has been particularly keen and well versed in steering psychological healing in emotionally disturbed children by means of Child Centered Play Therapy. In the 1990s, in addition to her formal teaching in tertiary education, Ms LAU began to spread the concept of Child-centered Play Therapy by pioneering systematic training programs. Over the years, she has laid down the cornerstone of the therapy in the local scene through hundreds of related training programs conducted with continual up-to-date refinement. Accumulatively, Ms LAU has delivered her basic training courses to more than 8000 helping professionals and parents. She has received numerous positive comments and her courses have always been fully enrolled with unreserved recommendations from participants.
