One-day Workshop on Systems Approach to Trans-generational Issues By Dr. WONG Oi Ling Ph.D., AAMFT Approved Supervisor

Course Description

In-law and multi-generational relationships is a very difficult life situation one has to manage in which no solution leaves everyone happy. This workshop will explore the complexity of working with trans-generational issues in the Chinese family context. Clinical cases will be presented to help participants assess the relational dynamics, maintain client engagement, and promote systemic change in these families.

Trainer Biography

Dr. WONG Oi Ling (王愛玲博士)

BSocSc, MSocSc, PhD HK; RSW; AAMFT Approved Supervisor

Dr. WONG Oi Ling is an AAMFT (American Association for Marriage and Family Therapy) Approved Supervisor. She is a part-time Professor of Practice (Family Therapy) at the Department of Applied Social Sciences of The Hong Kong Polytechnic University. Dr. WONG has been conducting training and delivering supervision courses in the field of marriage and family therapy for universities, hospitals, and social work agencies since 2000 in mainland China, Taiwan, Macau and Hong Kong.

(Nov 2,2018)

The Chinese University of Hong Kong Department of Social Work Continuing Professional Education

CE20181102

One-day Workshop on Systems Approach to Trans-generational Issues By Dr. WONG Oi Ling Ph.D., AAMFT Approved Supervisor

Course Objectives

- Equip participants with a set of systemic lenses to view and think about family members across different generations, their problems and the possibilities for change; and
- Equip participants with the skills to conduct assessments/interviews with transgenerational families.

Course Outline

- Applying concepts of family therapy on problem identification and assessment;
- Tracking and resolving intergenerational differences and conflicts;
- Exploring ways to involve, engage and build alliance with various family members across generations;
- Conducting effective family interviews together with various family members across generations.

Training Format

Lectures, review of videotaped sessions, simulated role-plays, case consultation and group discussion.

Target Participants

Counsellors, psychologists, social workers and other helping professionals.
